

## Limited Warranty

---

The Company warrants that its products are free from defects in material and workmanship.

Performance of new products is further warranted to be in accordance with ratings stated in the literature or specifications furnished by the Company when properly installed under normal conditions. This warranty does not extend to anyone except the first purchaser at retail.

The warranty does not cover incidental or consequential damages, including, but not limited to, lost time, inconvenience, loss of use, related property damage or consequential damages of any type or nature.

Claims must be made in writing and received within 30 days of discovery of irregularity. The Company reserves the right to inspect all products before making repair or replacement.

### Exceptions

---

This warranty is subject to the following exceptions:

- 1- All installation which is not in accordance with the installation instructions remitted by the Company will void the warranty. Damage caused by a repair or an attempt to repair without prior consent of the Company will void the warranty. Neither the Company, not the distributor, the retailer or any intermediary shall be held responsible for any cost or fees related to repairs or reinstallation of these products.
- 2- This warranty covers normal use and does not cover defects or damage to any product which, in the sole opinion of the Company, has been subject to: improper storage, exposure to moisture or dampness, exposure to fire, dirt, windstorm, lightning, or earthquake; to theft, unauthorized modification, misuse neglect, abuse, alteration, improper installation or which has been attributable to acts of God.

This warranty is applicable only to products bought through the Company of its duly authorized distributors. A purchase receipt or other proof of date of original purchase is required before warranty service is performed.

In certain instances, some jurisdiction do not allow the exclusion or limitation of incidental or consequential damages, or the exclusion of implied warranties, so the above limitations and exclusions may not be applicable.
